

Ken Wood Scholarship Fund Application

MIC has a charity fund that is named in honour of Brett Wood's Father who gave him the passion for community service and volunteering. Ken Wood was an active member of Rotary throughout his working years and volunteered every Saturday morning to make toys for disadvantaged children.

This Fund has been set up to make education at the College available to all who wish to come. Students who may not be able to attend due to financial constraints can be assessed through an application process to the charity.

No full scholarships are available for the College but partial scholarships may be awarded each year.

Applications are on an annual basis and students who are successful must still reapply for support each enrolled year.

If you feel you are eligible and wish to make an application to be considered for financial assistance, please fill out the attached form and submit to the Office no later than Friday 24th November, 2023
